February 10, 2009	Butler Early Childhood Center	3705 Earl Street
February 11, 2009	Butler Early Childhood Center	3705 Earl Street

Pre-K Registration Information

- In order to register for the Pre-K slots in the Bibb County School District for the 2009-2010 school year, children must be four years old on or before September 1, 2009.
- Parents may **only** apply for their child to attend Pre-K in the school zone in which they live. Each school (excluding Alexander II, Burdell/Hunt and Vineville, which are Magnet Schools) is served by a Pre-K class.
- Parents may apply for the Pre-K classes at the New Early Childhood Education Center which will be located on Pierce Avenue on the old T.D. Tinsley school campus. There are no school zone requirements for the Pre-K classes at this location.
- Parents may register at **any** of the registration sites for the Pre-K class in their child's school attendance zone. For example, if you live in the Heritage zone and you miss registration there, you may register for the Heritage Pre-K class at any of the other Pre-K registration sites during the registration period.
- Registration is not first-come-first-serve. Pre-K classes of twenty (20) students for each class will be chosen through a random computer lottery.
- Proof of residence will be required. Any one of the following items will meet the requirement as long as it contains the name of the parent/guardian and a street address: current telephone, gas, water, electric or cable bill on proper letterhead. (JBC-AR)
- Parents must submit the child's **certified birth certificate** and **social security card** at registration. **No applications will be accepted without proof of residence, birth certificate and social security card.**
- Parents will be notified by mail of their child's acceptance or waiting list placement by March 7, 2009.
